If you are sick, the probability is that the root of your sufferings is in the stomach. From a weak stomach proceed dyspepsia, languar, oppression in the disphragm, jaundice, headache, nausea, bodily weakness, dimness of right, heartburn, costiveness, dysentery, and a legion of other termenting diseases. Indigestion produces thin blood, and therefore destroys the strength and vigor of the system. To restore the tone of the stomach, and enable it to throw off and dismiss forever all these tormenting and dangerous complaints, nothing is necessary but a persevering use of Hoofland's German Blitters, prepared by Dr. C. M Jackson, Philadelph a. There is no mistake, no fallure is their samitive at cots. Weekly Review.

DAILY PATRIOT OFFICE, Nashville, Dec. 10th, 1857. We have nothing encouraging since our last review to reort. Business of all kinds continues inactive, nor do we ope now for any change for the better until we have fairly mbarked upon a new year. Let us hope for the best, and a speedy turn of prosperous times.
